75 YEARS OF BRILLIANCE

# WELCOME

*On behalf of the board and all members of Watany Eye Hospital (WEH), it is my pleasure to welcome you to the 11<sup>th</sup> Watany Ophthalmology Summit (WOS 2022), 12-14 October 2022, Triumph Luxury Hotel, New-Cairo.*

*This year the meeting panel includes 20 world class International speakers in almost all ophthalmic subspecialties, as well as featured sessions by the Royal College of Ophthalmologists, London (RCOphth), Emirate Society of Ophthalmology (ESO) and Alexandria Ophthalmology Summit (AOS).*

*I would like to take this chance to focus on the sessions of the free videos competition, the ARVO- Egypt research session and the best of WEH grand-rounds, as these sessions show an outstanding spectrum of clinical and research work done at WEH in all ophthalmic subspecialties. WOS 2022, is also introducing a new program; Young Ophthalmologists by Young Ophthalmologist (YOYO), which is designed specially to address the essential knowledge and skills needed by young ophthalmologists in their every day practice.*

*Another new addition is the frequent 60 second video recorded senior tips and tricks that run in between sessions.*

*The event includes 2 days of pre-event instructive courses and wet-labs conducted at the Watany Research and Education Lounge, as well as courses directed to opticians and nursing staff; 10-11 October 2022, WatanyEye Hospital, Thawra Branch, Heliopolis.*

*Once again we direct all our effort to create a summit that will be a memorable scientific, educational and social experience.*

*Chairman of Watany Eye Hospital  
Dr. Fathy Fawzy Morkos.

## About WATANY EYE HOSPITAL (WEH)

Built on 2,336m<sup>2</sup> on the outskirts of Cairo and at the joint route between the city and its newest suburbs, our new premises boasts 10 operation theatres, femtosecond laser machines in 2 refractive suites, 16 fully equipped examination rooms and full investigative tools in a state-of-the-art eight-storey building. Since its establishment in 2001 by Prof Riad Fikry, Prof Fathy Fawzy and Prof Abdallah Hassouna, Al Watany Eye Hospital has taken solid steps into establishing itself as one of the most trusted medical service providers in ophthalmology. In our dedication to excellence, we have successfully stepped into today's high-tech culture by establishing paperless operating system. Our homegrown electronic health records system encompasses outflow control across the hospital facilities and financial services as it integrates with clinical and affiliate remote service centers. With two hospitals in Cairo and one center in Aswan, we established a comprehensive ophthalmology health care system.

## MESSAGE OF THE HOSPITAL

We provide one of the most distinct specialized high quality medical service in Ophthalmology. Additionally, Research services and training programs for young ophthalmologists and staff are being applied to improve the quality of the provided service.

## VISION OF THE HOSPITAL

*We goal for being one of the leaders in the scientific research and providing talented young ophthalmologists respecting the ethics of the profession to serve our country and anyone in need.*

---

## VALUES OF THE HOSPITAL

- Harnessing all human and technical resources for serving patients.
- Achieving the optimum level of medical service and having distinct performance.
- Being honest with our patient regarding his/her health status.
- Creating a spirit of co-operation and affiliation amid patients, employees and doctors.
